Info from AMMUG-1 on AGENTS

The difference between a Cuban and a foreign agent (of the D61) is as follows.

Recruitment of foreigners consists for the most part, of agreement with the organizations to which they belong. Foreign agents can also be recruited in the schools in Cuba where they are receiving guerrilla training. Once recruited as possible agents, they are separated from the others and placed in D61 houses, where they receive instruction as agents.

1112091

Ordinarily an attempt is made to keep them from contact w/ anyone in government circles so as to avoid indiscretions.

Any agent recruited in a foreign country is brought to Cuba ~~SECRET~~ and arrangements are made so that he has no contacts w/ persons in Cuba from his own country or any other. Once his training is

SECRET

completed, his departure from  
Cuba is not made known to  
anyone attached to him.

rest pertains to Cuban  
nationals as agents.

19 Oct 64 D61 agents - Annex -

2. Q. How does (a D61 agent) get to Cuba?  
What cover story does he use?

A. He may travel by any means, either  
via Mexico or via Prague. He  
may travel in true name or alias.

I do not know what cover story  
he uses in his country or on the  
trip, except that he always  
appears as a student. He does not  
leave for Cuba until there is a  
counsel for persons from his country  
and organization in which he  
can be included.

11112092

An agent recruited directly (not from  
a guerrilla school) for illegal  
work may be recruited on the recom-  
mendation of the DSE, on the personal  
recommendation of a D61 officer,

SECRET

or by any person if he appears to be useful. He may be investigated by the DSE (domestic Cuban security) or by the DSI. This is very well checked before recruitment and no subsequent investigation is considered necessary.

Subj: Gen 1: Debriefing Report #650

AMM/06-1

Specify: Duties of DSI Officers in the Field w/ regards to Visa Applicants

DSI officers are charged w/ expediting the granting of visas of agents of the DSI. Such agents on appearing at the Consulate use a special phrase to indicate their relationship w/ DSI. (Source does not know the particular phrase used in every case.)

~~11112033~~  
He does know that agents from El Salvador in requesting visas always made mention of the name "Mauricio." The DSI

SECRET

officers at a Consulate interview visa applicants to find out if they are agents. If the visa applicant does not use one of the indicated phrases, the DS/ officer, instead of granting the visa immediately tell the applicant to return in a few days. The officer then notifies Havana and request authority for the visa.
